

# VAT / withholding ledger summary

Third Code Solutions Inc. — VAT — 01/01/2027 to 01/31/2027

Provisional ledger summary — client tax classification and statutory format review required

| Date       | Document / partner                                      | Tax              | Base   | Signed tax amount |
|------------|---------------------------------------------------------|------------------|--------|-------------------|
| 2027-01-15 | QAS/C/00000013<br>Synthetic alignment customer/supplier | Synthetic VAT 12 | 100.00 | 12.00             |

Tax total (USD): **12.00**

Sale tax is shown as credit less debit; purchase tax as debit less credit. Refunds and withholding deductions retain their ledger sign. Tax bases are counted once per document/tax; zero-tax documents without tax lines are outside this ledger summary.
